### Recommendation Letter:

*Women's City Club of Greater Cincinnati*

**Ashley Meeks: Holy Cross High School**

#### To Whom It May Concern:

Ashley Meeks is a very determined individual. She has been in the Guidance Office numerous times trying to learn more about the college process and hoping to not miss any steps. Ashley has a dream of continuing her hard work ethic and hopes to major in psychology. Throughout her senior year she has been working hard in and out of the classroom. She has maintained a 3.71 GPA, while still involved in many school activities and family responsibilities.

Fast pitch, bowling and academics have been a large part of Ashley's life and something that she holds onto as she goes through her senior year. Not only has she devoted her time to others at Holy Cross High School, but she has been involved in serving in her community and volunteering when needed. As the oldest child in her family, she is responsible for many daily tasks within her family and home life.

Life has not always been easy for Ashley, but she has persevered and will soon be graduating high school. Financials are always at the top of her mind, as her single mother works hard to raise Ashley and her brothers and provide Catholic Educations for each of them. I can't think of anyone more deserving of this Women's City Club scholarship more than Ashley Meeks. She is ready and excited about her future endeavors and we are all so proud and excited to see her shine.

Sincerely,
