

Woman's City Club's National Speaker Event 2022 Was a Success!

In support of our mission to educate, empower, and engage, Woman's City Club presented an excellent speaker-Dr. Mary F. Berry- with a message that our community needs to hear, to a diverse audience of nearly 400 people. The National Speaker Committee chose Dr. Berry and her topic to follow up on programming WCC offered in 2021 and will continue to offer through 2022 on race relations in Greater Cincinnati, the refresh of the Collaborative Agreement, and community-wide efforts to achieve racial justice and equality.

The National Speaker is a fundraiser – and we received \$6,000 in financial support from 5 corporate sponsors; \$10,800 from 36 institutional/organizational cosponsors; \$8,550 from 4 levels of individual patrons; \$4,900 in single-ticket sales; \$300 in donations. Woman's City Club netted approximately \$16,000 after expenses.

Many thanks to the hard working national speaker committee: Alice Schneider, Chair, Jane Anderson, Janet Buening, Marge Davis, Carole Donnelly, Sarah Gideonse, Edna Keown, Barbara Myers, Jeanne Nightingale, Susan Noonan, Jeanette Rost, Aurelia Candie Simmons, Kay Smith-Yount, Beth Sullebarger, Mary Wells and Donna Tukel.
